ABOUT US!

We are passionate about baking! From our very first day of business we have been dedicated to bringing artisan cookies and cakes to our local markets. Our cakes & cookies have a distinctive flavour, which is created by a long traditional fermentation process using the best ingredients. You can taste our commitment to honest baking.

OUR COMPANY is our people. We depend on everyone's energy, expertise & enthusiasm to make it succeed. We collaborate to create new products, make day-to-day decisions, meet our customer's needs and set new directions for the business.

EUROBIC was started in year 2019 with a mission to fulfill the requirement of bakery products in the market. Eurobic Cakes & Cookies are highly mouth watering products. EUROBIC comes in the market with over large variety of cakes, cookies, rusks, breads and many more in line. EUROBIC is truly a pioneer in launching new flavours and combinations.
