## ABOUT US!

We are passionate about baking! From our very first day of business we have been dedicated to bringing artisan cookies and cakes to our local markets. Our products have a distinctive flavour, which is created by a long traditional fermentation process using the best ingredients. You can taste our commitment to honest baking.

OUR COMPANY is our people. We depend on everyone's energy, expertise & enthusiasm to make it succeed. We collaborate to create new products, make day-to-day decisions, meet our customer's needs and set new directions for the business.

EUROBIC was started in year 2019 with a mission to fulfill the requirement of bakery products in the market. Eurobic Biscuits are highly mouth watering products. EUROBIC comes in the market with over large variety of biscuits, breads and many more in line. EUROBIC is truly a pioneer in launching new flavours and combinations.

Enjoy a moment of authentic pleasure  
With Eurobic Cookies. Blended with just  
a handful of carefully selected ingredients  
Choose from a range of flavors to get  
the perfect taste for you.
